ACCEPTANCE OF PUBLISHED PICTURES-Up to 40% of the above totals may be from published photographs in a traditionally printed (hard copy) publication with distribution of at least 2,500 copies. **Photographs appearing in catalogs or other publications distributed by electronic media are not eligible.** Photographs printed in catalogs from PSA recognized exhibitions **prior to Jan. 1, 2009** are eligible. If a catalog does not have a PJ section, the Applicant must submit a photocopy of the entire page and the front cover. Also eligible are all photos published in the PSA Journal (a copy of the front cover and photos must be enclosed). All daily newspapers and nationally circulated publications are eligible. Other publications must have a minimum circulation of 2,500 and these may include house organs if they are provided to 2,500 or more employees. The applicant must ascertain circulation and attest to circulation in the following manner.

Published pictures must be fully documented with name of the maker; dated copies of publication, dated photocopies, or dated tear sheets must be furnished. Pictures must be clearly reproduced. The same picture may be claimed more than once only when published under different circumstances. Repeated publication in the same publication or several editions of the same book or pamphlet does not constitute multiple credits. Also eligible are all photos published in the PSA Journal (a copy of the front page and photos must be enclosed). These published pictures must not have been used to obtain previous star ratings. No credit will be given for pictures published in any International Exhibition Catalog after Jan. 1, 2009, or Photo Story Competition.

JUDGING---Three (3) acceptance credits are given for judging slides and/or prints or electronic images. If more than one is judged, a total of 6 acceptances are earned. No more than 6 judging credits may be earned in an exhibition. Up to a maximum of 9 credits per application may be used in lieu of acceptances. Only one credit may be applied per title. All judging credits must have earned since the 5th star was awarded or since the previous Master Photojournalist Award was received. Judging credit may be used only once, and all judging credits earned at the same Exhibition must be used on the same application.

HOW TO SET UP YOUR APPLICATION- Prepare one list in the following format:

List #1. Alphabetical Titles

<u>Title:</u>	<u>Exhibition</u>	<u>Year</u>
1. Construction Work	Holland	2003
	Iris	2003
	NORGA	2003
	NORGA	2003
	NORGA	2003
	NORGA	2003
2. Fourth of July Parade	PSA	2003

Continue to 50 for Diamonds 1 -5, and 75 for Diamonds 6 -10.

One judging credit may be substituted in a group of six with no more than 9 total judging credits used per application. Published pictures may not exceed 40% It is a good idea to send an extra one or two in case some do not check. If all are good the extra ones may be used on the next application.

The validated Galaxy 10 rating acceptance application and the alphabetized list of ALL titles beginning with the first star must accompany the first Diamond Awards application. Successive applications must have the list of **all titles** and the previous validated award application.

MISCELLANEOUS-Name, address, date, and award applied for should be on every page. Use one side of the page only. **Send a copy of your PSA membership card** with your application.

Important---Titles submitted for a Master Photojournalist Award must conform to those listed in the catalogs. **In case of error, report cards will NOT be accepted.** If numbers are used in the title and are omitted in the catalog, they will not be credited unless the Exhibition Chairman makes a correction. As soon as you receive your catalog check your report card against the listing in the catalog. If they do not agree write the Exhibition Chairman for a correction, with a copy to the Star Ratings Director.. **Report cards will no longer be used for proof of acceptances for Star Ratings.** Only catalog entries will be accepted.

Please leave space at the end of your application for the approval stamp, date, and signature of the director. Your cooperation in the careful preparation of your application is appreciated. If you have any questions about the instructions, please write, call or e-mail me.

Catalogs are kept for 10 years so if an acceptance is older than 10 years a copy of the catalog may be necessary to get credit.

Your approved application will be returned to you. **KEEP IT!** to be returned with the next application. Do not alter an approved application.
